Tony Graham journeyed down from Boyes to the metropolis on Friday of last week and witnessed the ball game between the White Sox and the Seals at Recreation Park.

Charley Danieli, who went to see a San Francisco specialist in regard to a needle which he had run into his hand, has returned home. The needle was located and taken out and Charley is now on the road to recovery.

Wm. Young, pickpocket, confidence man and all-around crook, who was arrested here several weeks ago, and was given six months in the county jail, San Francisco, has been paroled, after serving a few weeks of his sentence. No doubt he will again make his appearance here this summer and if he does he should be given the run, as his kind do not benefit the valley by any means.

Archie Gale, the well-known contractor and builder, has purchased Henry Norrbom's gas machine and is over delighted with the new speed burner. Archie shows class as a chauffeur and masters the car with class and dignity.

The El Verano Development Association has plans in view to give an entertainment and dance at this place next month. A committee is now making arrangements and it promises to be a live affair.

The Index-Tribune was well represented at the ball game last Sunday at Boyes Springs. All Editor Grance's live wire reporters were there, including Easy Jim of Vineburg and his pretty assistant, Jessie Jessamine. There is some class to that doll, Easy. Look out some one don't kidnap her as lady reporters are scarce.

A suit pork thief made his appearance in town last Friday evening and paid the Helvetia Hotel a midnight visit. Entering the tank house the sneak thief made way with a thousand salmon, two hams, two sides of bacon, a cheese and a number of different kinds of bolognes and made good his escape. Deputy Sheriff Ryan was notified but up to this writing no clew had been obtained. The loss is about fifty dollars.

Mrs. Jennie Nichols Again Heard From.

County probation officer Plover made known in Santa Rosa on Friday of last week that Mrs. Jennie G. Nichols, who was at that place interesting people in the matter of finding homes for children, had no certificate of authorization from the State Board of Charities and Corrections, and in consequence, under the law, had no right to be collecting any funds. Mrs. Nichols called upon Probation Officer Plover and he informed her that she would be guilty of a misdemeanor if she continued operations. Mrs. Nichols, however, claims that she does not come under the intent of the law. She has been here on several occasions.

The ball game played at Boyes Springs last Sunday brought a large crowd, especially from Vallejo. A special train passed through here with ten coaches and they all unloaded the passengers at the new Boyes Springs station on the S. P. line, it only being a short walk through the beautiful grounds of the Eaton & Toy real estate firm, formerly the old Nordwell ranch.

One of the largest crowds that ever witnessed a baseball game in Sonoma Valley assembled at Boyes Springs last Sunday to witness the game between the Seals and Vallejos. Fully one thousand fans and fannies were packed into the ball grounds and the game was a interesting one, the score being three to nothing in favor of the Seals. Good ball was played on both sides. The game was umpired by Jimmie Madden, a crack professional ball player, and his decisions were perfect. It looks as if the management of the springs will have to enlarge the ball park and put up more seats as this is one of the biggest things that ever hit the valley. The San Rafael team will cross bats with the Seals next Sunday.

A large number of old-time Sonoma Valley fans were again in line at Boyes Springs last Sunday. Hank Moore of the Spreckels ranch was there with a Wm. J. Bryan hat and enjoyed the game from a bleacher seat. Chas. La Torres, manager of the Sonoma Colts, was also an interested spectator, and thinks his boys will be as good as the visiting team with a little more practice, and Charley is some manager, too. Judge Campbell of Sonoma was prominent among the crowd and with his Tam many Hill whiskers, stern look and his bon ton lid, laid aside the strenuous duties of the Sonoma court room and seemed to enjoy the recreation, the meanwhile keeping his eye on the umpire. Geo. Engler and Louis Breitenbach enjoyed the standing room, and the latter's physical form did not indicate that he was apt to seek a sanitarium in the near future, as he was there in his shirt sleeves looking robust and healthy. Joe Hay- e, accompanied by a charming lady friend, had a seat back of the back stop and was kept busy explaining to the lady the different points of the game. Bill Russell of Sonoma was also there and becoming excited gave the umpire a few hot air jolts, which made him sit up and take notice. A number of others were present from the old town which space forbids to mention, but leave it to the old-timers to be on deck when a good game of baseball is carded.

MRS. WATTERS
PASSES AWAY

Was a Devout Member of the Congregational Church and Bore Her Sufferings With Christian Fortitude

Mrs. Mary Watters, wife of Henry Watters, head book keeper in F. Duhring's store, passed away at her home here last Saturday morning after an illness lasting several years.

The deceased was a devout member of the Congregational church and bore her sufferings of three years with true christian fortitude. During her residence here Mrs. Watters had endeared herself to our people by her womanly qualities and graciousness, and she will be greatly missed by a large circle of friends. She is survived by a husband only.

The remains were embalmed and shipped to her old home in Chattanooga, Tennessee, last Sunday, after funeral services in the Congregational Church.

Sonoma, California, March 15, 1913

Rain and the Crops.

It now looks as though California was about to be the victim of another drouth this year, which have periodically afflicted the farmers of the state for the past sixty years. The rain, which is badly needed in every section of California, continues to hold back, and if it does not come soon there will be a general shortage of crops. Here in Sonoma Valley, however, while a good rain would be of great benefit to our farmers and stockmen, no serious damage is apprehended from the dry spell as this section has never been known to suffer to any great extent from the drouths which have impoverished many farmers and stockmen in other sections of California. Old Sonoma can always depend upon its April and May showers and we predict this season will prove no exception to the rule.

Our contemporary down the street rises to remark that "if the county roads of this district were in as bad a condition as are the streets of Sonoma the people of the district would run the Supervisor out of it."

Is that so? There is a cause for the present condition of our streets and it is this. Last year all the principal streets of Sonoma were excavated for a sewer system, and in that way they were put in bad shape, which could not be avoided. Considerable work has been done upon them, however, the past few months and in a short time they will compare favorably with the streets of any city in the county. The City Trustees in giving this city a sewer system, could not do so without damage to our public thoroughfares. This and nothing more is the height front and of their offending and such squibs as quoted from our silly contemporary are as ill-timed as they are disgusting.

Some parties have made it their business to report that the firm of John Batto & Sons will not deliver any more merchandise. It is a falsehood, as the firm has three teams on the road every day, going all over the valley.

James H. Albertson, Sonoma City's popular Marshal, was a visitor in Vineburg one day last week, but what is keeping the people guessing is whether he came here to see the Vineburg belles or the Mayor's whiskers.

John Batto, Miss Mary Batto, baby Evelyn and Peter Batto motored to Napa on Sunday last where they were the guests of Mr. and Mrs. D. Banchemo. After a fine repast the party visited the points of interest in Napa city, Arthur Batto acting as chauffeur.

The Hyde tract is certainly improving some. As we wandered over it the other day we saw the large number of up-to-date poultry yards that will compare with any in Sonoma county. A number of orchards have been laid out and about ten teams are now working on the tract.

EASY JIM.
Vineburg, March 13, 1913.

Killing Frost Thursday Morning.

This valley was visited by a killing frost last Thursday morning, the thermometer registering 28 degrees above zero. Smudging was resorted to by R. H. Hall and other large orchard owners, in order to save their fruit crops. Those of our fruit growers who resorted to that precaution will suffer little or no loss of fruit. At this writing just how much damage has been done by the visitation cannot be determined.

Woman's Club Notes.

The regular club meeting of Friday afternoon was purely a business session. After listening to the annual reports of the officers the election of officers for the coming year took place. The following were elected: Mrs. Rae Hunter, First Vice President; Mrs. A. H. Bates, Chairman of the Civic and Plaza Section; Miss More, Chairman of the Public Welfare Section. These with the officers who were elected at the primary election were installed for the year. The new president, Mrs. Carrie Burlingame, after addressing the club, appointed the following standing committees: Membership, Mesdames Empanan, Stofen and B. F. Campbell; Printing, Mesdames M. Clewe, Lowell and Simmons; Auditing, Misses Cook, Murphy and More; History and Landmarks, Mrs. R. P. Hill; Club Reporter, Miss Kate McDonnell. After listening to the report of Mrs. Geo. E. S. Swan, State Chairman of Legislation of the C. F. W. C., which was read by Miss M. More, the club voted to endorse the Joint Guardianship bill, Marriage Law bill and Civil Service Reform bill. The Corresponding Secretary was instructed to send these endorsements to Senator L. W. Juilliard, Assemblymen Slater and Libby. Upon the request of Mrs. E. K. Stevenot, a former resident of Sonoma, the club opposed the legislation permitting the removal of cemeteries.

Christening of the MacIntosh Home

Margaret MacIntosh Shaw, the infant daughter of Mr. and Mrs. Francis Shaw, was christened at the home of Mr. Wm. MacIntosh last Sunday. The ceremony was performed by Rev. Irving Spencer, pastor of Trinity Episcopal church of this city, amid a bower of almond blossoms, lilies and maiden hair ferns. A feature of the christening was the cutting of a cake presented to little Margaret by her godmother in England.

GLEN ELLEN AND VICINITY

Items Gleaned by our Live Awake Reporter the Past Week

Don't forget to get your summer suit from our local tailor, A. B. Cheffers.

The Fresno scraper is busy on the new baseball diamond. Greeley is the man behind.

The Glen Ellen baseball team will play Petaluma in that city the first Sunday in April.

Earl Whitney, who was badly injured in a runaway here last week, is improving slowly under the care of Dr. L. Francis.

A nice bunch of thoroughbred Angora goats passed through here last Friday morning en route to the London ranch. Jack purchased these from W. Allison last week.

The Bachelors were defeated by the Bon Durees basketball team last Saturday night, the score being 50 to 17. Handicapped heavily by excessive weight and experience, the locals fought tooth and nail to the finish. In arranging this game, manager H. Trusty went slightly out of his class, but anyhow we all had the pleasure of witnessing these Pacific Coast champions.

Bert Howard, piano player at the Mervyn Inn, left for Sacramento last Saturday evening, to fill a week's engagement at the Orpheum in that city. Bert can play a piano and he uses a number of the old melodies in exploiting his talent—that fact making it more popular with the audience. He can sing and dance and in this is rivalled by his partner, Ellie Lawrence, who is pretty and winsome, and makes good as the Cigar Girl in the opening of the sketch of that name and later as a Swedish girl. The two sing a number of new songs, and dance in a manner that win them encores.

HAPPY.

Precincts Will Now be Area of Pound Districts

The Board of Supervisors at their meeting this week decided to do away with the present pound districts existing in the county and will adopt, instead the precinct plan, making every polling precinct in the county a pound district, outside of incorporated towns, of course. A poundmaster will be named in each district.

At the present time many complaints have been made as to the boundaries of pound districts and the extent of jurisdiction of poundmasters. This in the main led the supervisors to suggest the change to the precinct districts. It is believed the new plan will work out well.

Horse Thief Goes to Folsom Prison

James Howell, a visitor to this valley, who recently stole a horse and buggy from Attilio Casseloni of El Verano, having been convicted in the Superior Court of this county on a charge of grand larceny, was sentenced, last Wednesday, by Judge Seawell to serve two and a half years in the Folsom State Prison. Howell was captured by Deputy Sheriff Joe Ryan with the goods on him and admitted his guilt.

Brain of the Bee.
In a German scientific periodical O. Jonescu gives the results of his studies of the brain of the bee. As might be expected from its wonderful instincts, this is found to be very complex. The various divisions of the brain are described in detail, but perhaps the most interesting part is the comparison of the brains of queens, workers and drones. The worker has a larger brain than the queen, and as the difference between queen and worker is the result of diet during the grub stage it appears that the food which develops size of body and fertility is not best for the growth of brain. The "royal jelly" as a mental stimulus is a failure. In the drone the brain is not larger than in the worker, but the optic lobes are large, corresponding to the large eyes.

Didn't Wait the Attack.
At Boulogne during a royal reception some years ago a number of English ladies in their anxiety to see everything pressed with such force against the soldiers who were keeping the line that the soldiers were forced to give way and generally were, as policemen say, "blundered in the execution of their duty." The officer in command, observing the state of affairs, called out: "One roll of the drum! If they don't stand back kiss them all!" After the first sound of the drum the ladies took to flight. "If they had been French," said a Parisian Journal, "they would have remained to a woman."

A Tale of Heroism.
"I went for a bath yesterday," said an Auvergnat. "I had been in the water some time when I suddenly perceived an enormous shark advancing toward me with its jaws open. What was I to do? When he was a yard off I dived, took out my pocketknife and ripped up the monster." "What? Then you are in the habit of bathing with your clothes on," said one of the listeners.—From the French.

Perplexing.
Territorial (his first experience as sentry, going over his instructions)—If any one comes along I say: "Halt! Who goes there?" Then he says: "Friend," and I say: "Pass, friend; all's well." But some silly ass'll say: "Enemy," and then I shan't know what to do. Rotten job, I call it.—Punch.

Indignant.
The mayor of a small town had come to Leipzig to see the fair. A stranger who had lost his way asked him, "Pray, good honest man, what is the name of this street?" "I am not a good honest man," said the former; "I am the mayor of Marburg."

Distinction, if No Difference.
